

John M. Rogers

Present Position:

Chief,
Developmental Biology Branch, (MD-67)
Reproductive Toxicology Division, NHEERL
Telephone: (919) 541-5177
E-mail: rogers.john@epa.gov

Education:

*B.S., University of Miami, Coral Gables, FL; Biology, 1976.
*M.S., University of Miami, Coral Gables, FL; Biology, 1979.
*Ph.D., University of Miami, Coral Gables, FL; Biology, 1982.
*Postdoctoral Fellowship, National Eye Institute, NRSA, University of California, Davis, 1982-1984.

Previous Positions:

*1987-1990: Chief, Experimental Teratology Section, PTB, DTD, HERL, USEPA, RTP, NC.
*1984-1987: Research Biologist, PTB, DTD, HERL, USEPA, RTP, NC.
*1987;1990: Visiting Asst. Professor, Dept. of Zoology, NC State University, Raleigh, NC.
*1976-1982: Teaching Assistant and Lecturer, Dept. of Biology, University of Miami, Coral Gables, FL.

Research Interests and Skills:

*Mechanisms of normal and abnormal development, maternal toxicity, maternal nutrition.

Professional Societies:

*AAAS
*Society of Toxicology; Reproductive and Developmental Toxicology Specialty Section, Nominations Committee, 1994-95, Secretary/Treasurer, 1997-98.
*Teratology Society, Program Committee, 1988, Education Committee, 1992-94, Student Affairs Committee, 1992-96 (Chair 1996), Nominations and Elections Committee, 1994-97 (Chair 1997), Strategic Planning Committee, 1997-.
*Society for Developmental Biology.

Professional Activities:

*National Research Council Postdoctoral Advisor, 1987-present.
